

Dear Friends:

At the time I was assigned president of Saint Peter's Prep nearly five years ago, Jim DeAngelo, '85, Prep's principal, sent me a small book welcoming me to Jersey City. The book, entitled, *Jersey City: 1940-1960*, is a collection of photographs documenting the dramatic changes that occurred during this twenty-year period of our city's history. While some of the images portray colorful politicians and other historic figures, the bulk of the photos capture the creation of housing projects such as the Montgomery Gardens and WPA projects like the Jersey City Medical Center, as well as the enhancement of industrial areas like Colgate and shopping districts like Journal Square. While much changed during these two dynamic decades, the core of Jersey City fundamentally remained the same. Jersey City remained "a city of immigrants and their families."

Saint Peter's Prep has been fortunate to play an important role in the life of Jersey City over the years, and like the city we call "home," Prep has experienced many significant changes throughout the years. Images of building projects from the Memorial Gymnasium in the late 1940s to Keenan Field in the early 2000s, all tell the story of a changing Saint Peter's Prep. Yet, like the city in which we live, the more we at Prep have changed, the more we have – at our core – remained the same.

This past May, we broke ground on Phase One of our "Imagine the Future" capital projects – the conversion of the former Saint Peter's Church into the student cafeteria, the church office building into a music center, and the basement of Hogan Hall into student classrooms. All of this is in preparation for the total conversion of Burke Hall into a state-of-the-art science pavilion scheduled to begin in just a few short months.

For all of our changes, however, we at Saint Peter's Prep have remained fundamentally the same. This past year, our 900 diverse young men studied Virgil and Shakespeare, calculus and chemistry, the original colonies and the Middle East. They brought home trophies in forensics, chorus, and band; wrote plays, composed poetry, and showed in art galleries; visited Europe and South America, Appalachia and Camden. They created a microfinance bank and lobbied against poverty in Washington. Our teams went to the state finals in football, basketball and volleyball, and sent individuals to championships in wrestling and track & field. They learned about Saint Ignatius Loyola and Pedro Arrupe, and they experienced God "in all things" especially on Ignite, Emmaus and Kairos. They comforted one another in death, and they celebrated in the possibilities in life. Things changed this year, but they also remained the same.

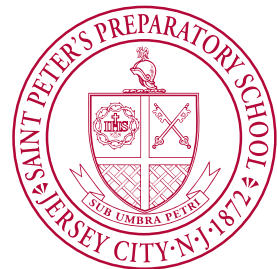

One of the most important areas in the life of the school that remained the same was the financial support that our alumni, parents and friends offered us. This past year alone, with their significant support, we at Saint Peter's Prep were able to provide financial assistance to approximately 350 young men, while at the same time keeping our tuition reasonable for all. We could never have done any of this without the dedication and sacrifice of our benefactors, which to this day remains unchanged.

As you will read in this President's Report, our donors gave \$2,584,000 to the Prep Fund, in support of our annual operations budget. In addition, they also gave another \$3,428,000 to our Imagine Fund, in support of our capital projects and scholarship funds. Like Jersey City, itself, while things at Prep certainly changed this past year, there were some things that did not. I believe the support of our alumni, parents and friends, expressed in this year's Prep and Imagine Funds, is one of those constants that will always remain the same. And I am grateful!

On behalf of our young men, I wish to thank all who have so generously supported Saint Peter's Prep this past year. Please know that you and your loved ones will have a very special place in my Masses and prayers.

Sincerely yours,

Robert E. Reiser, S.J.  
President

### The Donn  Society

The Donn  Society of Saint Peter's Preparatory School has been established to recognize men and women who have embraced the Jesuit mission of educating young "men for others" in a very special way. Specifically, the Donn  Society honors those who have contributed \$100,000 or more to the school throughout their lifetimes, and this special recognition is a lasting tribute to their profound generosity.

## The Heritage Society

Throughout its 138-year history, the financial stability of Saint Peter's Prep has been ensured by the consistent and unwavering support of its many benefactors. In addition to the direct support of the Prep Fund, the Imagine Fund, and special initiatives, this generosity has included bequests and other "planned gifts" from the school's supporters.

In recent years, a number of individuals have indicated that they have provided for Prep in their estate plans, thus becoming members of the Prep Heritage Society.

## The Dolan Society

This society is named for Charles F.X. Dolan, S.J., '32, a Prep Legend and a long time fixture in the Prep community. It honors the wives of deceased alumni who, through their generosity, have continued to make Saint Peter's Prep an important part of their lives.

Mrs. Claire Baker (Ernest, '38)  
 Mrs. Marsha Borkowski (Frank, '58)
