

Dear Friends:

The author Malcolm Gladwell begins his 2008 bestseller *Outliers* by asking the question, "Why do some people succeed far more than others?" I think this is an important question, especially as we look back on the challenging year that has passed, a year in which the Saint Peter's Prep community found success in the midst of very trying economic times.

As you will read in this year's President's Report, total giving to Prep far exceeded our ambitious expectations. Donations to our two major school funds, the Prep Fund and the Imagine Fund, topped the \$4 million mark. The Prep Fund is made up primarily of annual giving and fundraising events, and it supports our annual operating budget and keeps Prep affordable for every family. The Imagine Fund is our recently focused major-gift fundraising effort, and it supports our school's long term capital and scholarship strategic goals. The Prep and Imagine Funds enable young men from a diversity of backgrounds to succeed in an academically competitive Jesuit high school like Saint Peter's Prep.

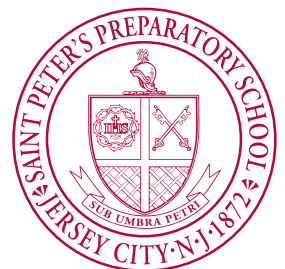

As I look back, I find Gladwell's answer to his all-important question to be very helpful. Success, he maintains, is based on a person's family and friends, his faith and values, her options and opportunities. As I interact with the many facets of the Prep community, I am consoled by the commitment I see: alumni like those in the Class of 1950 who served as pallbearers at the funeral of one of their classmates; of students like our current seniors who served as ushers at the Jubilee Mass of one of our Bayonne priests; of parents like those who served with their sons in a community service project.

Our alumni, parents, teachers, Jesuits, staff and friends are the human answers to the question of why a school like Saint Peter's Prep continues to succeed. Without a community like ours, we could never be where we are, and we would never be able to face the challenges of the years that are to come. Family, friends, faith, values, options and opportunities spell success for Saint Peter's Prep.

I am sincerely grateful to those who this year have helped us mold young men of competence, conscience and compassion. With your financial support, you have shaped more than 900 Prep men, and in so doing we have found success. On their behalf, thank you!

Sincerely yours,

Robert E. Reiser, S.J.  
President

### The Donné Society

The Donné Society of Saint Peter's Preparatory School has been established to recognize women and men who have embraced the Jesuit mission of educating young "men for others" in a very special way. Specifically, the Donné Society honors those who have contributed \$100,000 or more to the school throughout their lifetimes, and this special recognition is a lasting tribute to their profound generosity.

## The Heritage Society

Throughout its 138-year history, the financial stability of Saint Peter's Prep has been ensured by the consistent and unwavering support of its many benefactors. In addition to the direct support of the Prep Fund, the Imagine Fund, and special initiatives, this generosity has included bequests and other "planned gifts" from the school's supporters.

In recent years, a number of individuals have indicated that they have provided for Prep in their estate plans, thus becoming members of the Prep Heritage Society.
